

Tarleton State University Recreational Sports Racquetball Rules

The Game

1. The current American Amateur Racquetball Association Rules will govern play except where modified herein.
2. Play dates will be established by the University Recreation Department. It is the responsibility of each player/team to contact their opponent and schedule a time to play their game before the deadline date. Players/teams must play their matches during the scheduled time periods. If the game is not played, a coin flip will determine which player/team will advance.

Equipment

1. Participants are encouraged to provide their own equipment; however, there are racquetball racquets, balls, and safety goggles available for checkout from the University Recreation Department. NOTE: SAFETY GOGGLES ARE HIGHLY RECOMMENDED.

Scoring

1. The first side winning two out-of-three games to 15 points will win the match.

Co-Rec. Competition

1. Males must begin their turn of service by serving to the male opponent first. At no time may they serve twice in succession to the female opponent.

Protest

1. If during the competition a disagreement arises regarding the interpretation of a rule or eligibility, the decision of the University Recreation Department will be final.
2. The University Recreation Department reserves the right to alter or change any of the above rules with the best interest of all concerned.
