Moving in more than 2,000 students is quite an undertaking. Here are a few things to prepare before arriving on campus:

- Bring along snacks and beverages (just in case there is a wait)
- Bring plenty of water (keep in mind the Texas heat)
- Take a bathroom break just before arriving

- Check-in process details
- Assignment confirmation

What's in your Room?

Trying to figure out what to pack before moving into your residence hall can seem overwhelming. Luckily, Tarleton has already provided furniture in your room, meaning you DO NOT have to bring the following:

1. **MICROFRIDGE** | One (1) per unit. This appliance combines a mini-fridge with a microwave. Please do not bring additional appliances as they are not allowed and using them trips breakers and leads to power outages.

2. **TWIN BED AND EXTRA LONG MATTRESS** | One (1) per resident. All beds are height adjustable. Mattresses are 80” long, 36” wide and 6” deep. You will want to bring Twin XL sheets. Please note that Integrity, Honors Apartments and Honors Suites, Traditions North and South are equipped with full sized mattresses.

3. **DESK AND CHAIR** | One (1) desk and one (1) chair per resident. In Centennial triple room layouts, students will share two (2) desks and two (2) chairs.

4. **3 DRAWER DRESSER** | One (1) per resident. The exception is in Hunewell Hall, where dresser drawers are built into the wall.

5. **WINDOW BLINDS OR SHADES** | All windows will have basic window coverings. You may bring your own curtain(s) for decoration or additional lighting control. Please note: window coverings should be hung using a tension rod, Command™ hooks or other means that will not damage the walls.

6. **CLOSET OR WARDROBE* | One (1) per resident. Please note that in Hunewell and Hunewell Annex, the closets are part of built-in casework. In Centennial triple room layouts, students will share two (2) standard closets and one (1) shelf closet.

Other things to consider

GET CONNECTED BEFORE YOU ARRIVE
To guarantee you’re online as soon as you move-in, it’s recommended to set up your account in advance. Keep in mind you will need to provide your own coaxial cable for cable service and your own Ethernet cable for internet (if not using Wi-Fi). Please note, outside routers are not allowed. All cable is in HD. Older TVs may require a QAM tuner; check your TV prior to arrival. For more information, tarleton.edu/housing/technology.

INSURE YOUR BELONGINGS
We strongly encourage you to invest in additional property insurance for your belongings. Tarleton does not insure individual belongings and does not endorse any individual insurance program, but does encourage parents and students to make sure they have the protection they desire for student property, whether it is through a current homeowner’s policy or separate renter’s insurance.

REGISTER YOUR BICYCLE AND LAPTOP

Getting Settled

MAINTENANCE REQUESTS
If you need to make a maintenance request on move-in day, please submit a request through the Student Housing link on Duck Trax.

CUSTODIAL SERVICES
Tarleton is responsible for the overall cleanliness of the common areas of our residential facilities. You will be responsible for the cleanliness of your room, disposing of trash to a dumpster outside your hall and leaving all public areas in clean condition. This includes cleaning your own private or suite bathrooms (sinks, toilets, showers, floors, etc.). Partner with your roommates/suitemates to have cleaning supplies on hand and create a clear cleaning schedule.

LAUNDRY
Each residence hall has at least one laundry facility equipped with High Efficiency (HE) washers and dryers. There is NO CHARGE for residents to use Tarleton’s laundry facilities. Residents must provide their own detergent, softener, dryer sheets, etc. These facilities are cleaned daily (Monday-Friday). Please bring your own disinfectant wipes to sanitize the machines before and after each use.

MAIL SERVICES
The U.S. Post Office provides mail services to Tarleton, including on-campus residents. All students living on-campus are provided a post office box. Mailboxes for Centennial, Hunewell, Hunewell Annex, Ferguson, Legacy and Legends Halls and Texan Village Apartments are located in the main post office inside the Barry B. Thompson Student Center. Mailboxes for Texan Hall Apartments, Heritage, Honors, Integrity and Traditions North and South are located in the lobby of each residential facility.

Enhancing your experience

Moving into a hall of strangers and having a roommate is a new experience for most of our residents. There are several steps you can take to ease this transition and create a productive, successful and happy first semester!

MEET YOUR RESIDENTIAL LEADER
Each floor or community, in every residence hall, is assigned a Residential Leader (RL). These upper-class students live on the same wing as their residents and support approximately 35-45 students. It is important to establish a relationship with your RL because they will serve as a readily available resource throughout the school year as roommate, student engagement, academic and general Tarleton matters arise.

Through their training and personal experiences, RLs are ready to help you achieve success while at Tarleton. Additionally, your RL will frequently encourage you to get involved in community and university events to enhance your experience at Tarleton. Your RL will also be one of your group leaders for Transition Week, so it is important to connect with them early.

It is your RL’s charge to answer your questions and to guide you through your experience here at Tarleton, so do not hesitate to ask your RL questions or introduce yourself on move-in day.

RESPECT THE NEEDS OF OUR COMMUNITY
Nearly 4,000 students, with different lifestyles and schedules, live on campus. Learning to balance personal needs with the needs of others is an outcome we hope all of our on-campus students experience. A part of living in a community is understanding the guidelines designed to support each member’s success. Prior to moving in, read more about our visitation, quiet hour and other policies by visiting tarleton.edu/housing/policy/index.html.

Meet your Residence Hall Staff

All of our nine residential neighborhoods is assigned a full-time, professional staff member who serves as a Residence Hall Director (RHD). This is a degreed professional who lives on campus and serves in an on-call rotation, in partnership with our University Police Department, to respond to incidents 24 hours a day, seven days a week throughout the academic year.

Residence Hall Directors oversee their community and the Residential Leaders within their community. They also act as an extension of the Dean of Students Administrative Office to adjudicate violations of university and residential policy. They receive extensive training to help connect residents to resources, help them navigate their transition to Tarleton and help them gain skills to live and learn independently.

MEET YOUR HALL ACTIVITY DIRECTOR
Each neighborhood hosts community building events so that residents can get to know other students on campus. Building a support network and making friends is an important part of creating the college experience. The Hall Activity Leaders work closely with each Residence Hall Director and Residential Leader team to plan hall events, build community experiences and facilitate large campus events like Launching of the Ducks during Homecoming. This is a great resource for getting involved on campus.

HALL SERVICE DESKS
Each neighborhood is equipped with a Hall Service Desk to provide assistance to residents. Residents can visit their Hall Service Desk to check out equipment, board games, get help with lock-outs, make an appointment with their Residence Hall Director and check-in and out of their residence hall.
Connect with your Roommate

Tarleton recommends that incoming residents connect with roommates prior to move-in. You can access your roommate’s name and email address through the Student Housing link on Duck Trax. You may wish to chat through email, phone calls, social media or even meet face-to-face to get to know your roommate prior to move-in.

Topics you might choose to discuss with your roommate are purchasing mutually shared items for your room, like cleaning supplies, a TV, decorations, organizational pieces and other necessities. Working out such details prior to moving in to the residence hall will make your transition much easier while also saving you and your roommate time and money.

ESTABLISH A “ROOMMATE AGREEMENT”
All residents wish to establish a positive relationship with assigned roommates; however, part of the on-campus living experience sometimes means compromising your preferences. It is vital to the roommate relationship to have conversations about things in which you may need to compromise, such as sustaining a comfortable room temperature, cleanliness, turning lights on or off at certain hours and having visitors.

One of the ways that Tarleton helps residents maintain a positive relationship with roommates is by providing a Roommate Agreement. These arrangements help roommates calmly and effectively communicate expectations. A Roommate Agreement template is found in the Welcome Home check-in packet of information you receive at Texan Move-In.

Residential Leaders are available if a compromise is unforeseeable or if roommates would like to seek advice from a leader who has previously shared a residence hall room. The Roommate Agreement tool has proven successful because it encourages communication. The document encourages residents to establish a set of expectations for each other early in the semester.

Meal Plan

All residential students are assigned a meal plan that includes 17 meals per week and $400 Dining Dollars per semester.

17 Meals Per Week AND $400 Dining Dollars

Students have up to the 12th class day to decrease to a plan that offers 12 meals per week and $400 Dining Dollars per semester. Dining Dollars purchased with a meal plan can be used at on-campus dining and food retail outlets.
